

AADE 2009 36th Annual Meeting Audio Files

AADE 2009 36th Annual Meeting Audio Files are available for purchase from Digital Conference Providers <http://www.dcprovideronline.com>. You can purchase the entire set or a portion. The complete conference CD-Rom is \$199.00. MP3 files are \$10.00 each.

However, as a member of WADE you can obtain a MP3 file at no cost to you.

WADE has purchased the complete set and can send you a file via e-mail or in the case of large files will burn a CD-rom you can keep. This is a change from 2008. The files are not on disks. You may request one file to be e-mailed to you at a time. You keep the file.

Instructions:

Review the lists of audio files below and select the file you want.

Email request to phaldi@comcast.net include audio file number and your address in your email request (one audio file per email).

The audio file you requested will be sent to you by return email. Some files may be too big to send by e mail. In these cases, we will send you a CD of the presentation you requested.
